HENSLEY	RTD P/W P/W RTD RTD P/W RTD P/W RTD P/W

Date, time and approximate location of plane crash or landing. Utrecht, Holland.

Nature and extent of damage to plane when source bailed out. Was it on fire, etc? Plane was damaged quite badly after landing.

At approximately what altitude did source bail out? Not given.

Were any of the crew injured or killed before the plane crashed?

Ball turret gunner was injured in leg.

What members of the crew bailed out? Did their parachutes open?

Ball turret and Left Waist gunner bailed out - don't know if 'chutes opened.

Did the plane explode on striking the ground?

Did source see any other members of the crew dead or alive after reaching the ground?

No.

Did he receive any information from others as to whether any other members of the crew were dead or alive? If so, give details furnished by his informant and whether the other crew members were identified by name or otherwise.

Did source examine the wreckage of the plane? If sc, what was its condition? Yes - plane was broken in half.

If the plane crashed in water how far was the plane from land and by what means was source rescured and what life rafts, wreckage, etc., remained on the surface that would have assisted other personnel to keep afloat.

What is source's opinion as to the fate of the other crew members and his reason for his opinion? Unknown.

Date, time and approximate location of plane crash or landing. 23 Feb 1944 - N bank of Rhine near Doorn, Holland.

Nature and extent of damage to plane when source bailed out. Was it on fire, etc? Not given.

At approximately what altitude did source bail out? Not given.

Were any of the crew injured or killed before the plane crashed?

Yes - Sgt. CHEEK wounded.

What members of the crew bailed out? Did their parachutes open?

Sgt's CHEEK and WILLIAMS - I did not seenthem jump; I believe their chutes opened.

Did the plane explode on striking the ground?

No.

Did source see any other members of the crew dead or alive after reaching the ground?

Not given.

Did he receive any information from others as to whether any other members of the crew were dead or alive? If so, give details furnished by his informant and whether the other crew members were identified by name or otherwise. Yes.

HANNAN and DeLUCA - I saw photo in a home where I stayed.

Did source examine the wreckage of the plane? If sc, what was its condition?

No, we left immediately - a fighter strafed us on the ground.

If the plane crashed in water how far was the plane from land and by what means was source resoured and what life rafts, wreckage, etc., remained on the surface that would have assisted other personnel to keep afloat.

What is source's opinion as to the fate of the other crew members and his reason for his opinion? They are either prisoners, are hiding in Holland or have returned.

Date, time and approximate location of plane crash or landing.

22 Feb 1944 - 1330 hrs. - Utricht, Holland. - crash landed.

Nature and extent of damage to plane when source bailed out. Was it on fire, etc? Two engines out - holes in gas tanks - 20 mm in waist.

At approximately what altitude did source bail out?

Were any of the crew injured or killed before the plane crashed?

Ball turret gunner injured by flak - Pilot injured when landing.

What members of the crew bailed cut? Did their parachutes open?

Ball turret gunner - 'chute opened. Waist Gunner - don't know whether 'chute opened or not.

Did the plane explode on striking the ground?

No.

Did source see any other members of the crew dead or alive after reaching the ground?

Did he receive any information from others as to whether any other members of the crew were dead or alive? If so, give details furnished by his informant and whether the other crew members were identified by name or otherwise. Heard about Radio Operator, Ball turret gunner, Tail gunner, Waist gunner and the Engineer - whether alive or dead is not given was its condition? Never will fly again, but was not completely destroyed.

If the plane crashed in water how far was the plane from land and by what means was source rescured and what life rafts, wreckage, etc., remained on the surface that would have assisted other personnel to keep afloat.

What is source's opinion as to the fate of the other crew members and his reason for his opinion? I believe all are alive and most of them should be back in the UK before myself.

HENSLEY	RTD P/W P/W RTD RTD P/W RTD P/W RTD P/W

Date, time and approximate location of plane crash or landing. 22 Feb 1944 - 1300 hrs. - Tiel. Holland.

Nature and extent of damage to plane when source bailed out. Was it on fire, etc? Two engines out, hole in left Tokyo tank and ME 109 still attacking.

At approximately what altitude did source bail out? 1100 ft.

Were any of the crew injured or killed before the plane crashed?

I was hit in leg by flak. Pilot was wounded. Nobody killed.

What members of the crew bailed out? Did their parachutes open?

Myself, S/Sgt NORRIS and T/Sgt WILLIAMS - the 'chutes opened.

Did the plane explode on striking the ground? No.

Did source see any other members of the crew dead or alive after reaching the ground? No.

Did he receive any information from others as to whether any other members of the crew were dead or alive? If so, give details furnished by his informant and whether the other crew members were identified by name or otherwise. Information received indicated all were alive. Sgt WILLIAMS was captured as well two or three others one was prounded so, others its condition?

No.

If the plane crashed in water how far was the plane from land and by what means was source rescured and what life rafts, wreckage, etc., remained on the surface that would have assisted other personnel to keep afloat.

What is source's opinion as to the fate of the other crew members and his reason for his opinion? I was informed by the Underground and read the pilot's report in PARIS.

Date, time and approximate location of plane crash or landing. 22 Beb 1944 - 1430 hrs. - Utrecht, Holland.

Nature and extent of damage to plane when source bailed out. Was it on fire, etc? Two engines were out and the gasoline exhausted; to my knowledge, it was not on fire. At approximately what altitude did source bail out?

Not given.

Were any of the crew injured or killed before the plane crashed? Ball turret gunner was slightly wounded.

What members of the crew bailed out? Did their parachutes open? Ball turret gunner and left waist gunner bailed out.

Did the plane explode on striking the ground?

No. It folded up somewhat like an accordion.

Did source see any other members of the crew dead or alive after reaching the ground?

Everyone I saw were alive.

Did he receive any information from others as to whether any other members of the crew were dead or alive? If so, give details furnished by his informant and whether the other crew members were identified by name or otherwise. No.

Did source examine the wreckage of the plane? If sc, what was its condition? It was badly damaged. One waist gun and the ball turret were in the radio room.

If the plane crashed in water how far was the plane from land and by what means was source rescured and what life rafts, wreckage, etc., remained on the surface that would have assisted other personnel to keep afloat.

What is source's opinion as to the fate of the other crew members and his reason for his opinion? As far as I know, all the crew got out alive.
