

303rd BG(H) Combat Mission No. 27

31 March 1943

Target: Wilton Shipyards, Rotterdam, The Netherlands

Crews Dispatched: 20

Crews Lost: Lt. James R. Dunn - 7 KIA, 3 injured in bail-out

Lt. Keith O. Bartlett - 8 KIA, 2 uninjured in bail-out

Length of Mission: 4 hours, 45 minutes

Bomb Load: 6 x 1000 lb H.E. M44 bombs

Bombing Altitude: 24,000 ft

Ammo Fired: 13,770 rounds

Seeing a possible break in the weather, the Wing sent in a loading order at 0335 hours, and followed it up with an operational order at 0600 hours, giving the Rotterdam shipyards as the primary target. No secondary or last resort targets were named.

The briefing, held by Maj. **Green**, was scheduled for 0800 with the take-off set at 0935, which meant that a few short cuts were necessary. In the past at least three hours had been allowed between briefing and take-off. This worked to the disadvantage of most crews, as verified in their comments at post mission debriefing.

At 0935, Maj. **Romig**, 359th BS(H) CO, took off followed by nineteen other B-17s. The last plane was in the air at 0946 hours.

Shortly after take-off, at approximately 1026 hours, Capt. **Shayler**, who was flying with Lt. **Bilek** in the 360th's plane #42-5382 *Witches Tit*, returned as an abortive after losing contact with the formation in heavy cloud cover. The crew reported seeing two B-17s collide in mid-air.

The colliding B-17s were later verified as the 360th BS #41-24559, *Ooold Soljer*, and the 358th BS #42-29573, *Two Beauts*. *Ooold Soljer* was Capt. Lewis **Lyle's** regular B-17F that he flew overseas. The two aircraft collided when the right formation passed through 10/10 clouds in the vicinity of Wellingboro. *Ooold Soljer* was completely demolished and was seen to have lost its right wing from the No. 4 engine. *Two Beauts* was later salvaged. In 1996 a memorial was erected at the crash site near Mears Ashby, U.K.

Casualties from 1Lt. Keith O. **Bartlett's** crew in *Ooold Soljer* were: 1Lt. Kent M. **Fitzsimmons**, 1Lt. Richard C. **Browning**, S/Sgt. Claude A. **Hamilton**, T/Sgt. Gene K. **Smith**, S/Sgt. Robert H. **Sangster**, S/Sgt. Edward A. **Bradford**, and S/Sgt. Woodward W. **Smith**. T/Sgt. Clayton S. **Balcombe** and S/Sgt. Tom **McGiffin** were able to bail out. S/Sgt. **McGiffin** was uninjured, but T/Sgt. **Balcombe** was injured and hospitalized. Lt. **Bartlett**, Lt. **Fitzsimmons**, Lt. **Browning**, S/Sgt. **Hamilton**, T/Sgt. **Smith** and S/Sgt. **Bradford** are buried in Cambridge American Cemetery, England.

Casualties from 1Lt. J.R. **Dunn's** crew in *Two Beauts* were: 2Lt. Keith L. **Hafen**, 2Lt. George H. **Boyd**, 2Lt. Robert A. **Lizotte**, T/Sgt. Lamoine D. **Yager**, S/Sgt. Carl E. **Shellman** and S/Sgt. Eugene C. **Clowe**. T/Sgt. Earl **Hogue**, Sgt. William A. **Testoni** and S/Sgt. Stanislaus **Nowak** were able to bail out. Sgt. **Testoni** was uninjured, but T/Sgt. **Hogue** and S/Sgt. **Nowak** were injured and hospitalized. Lt. **Boyd** and T/Sgt. **Yager** are buried in Cambridge American Cemetery, England.

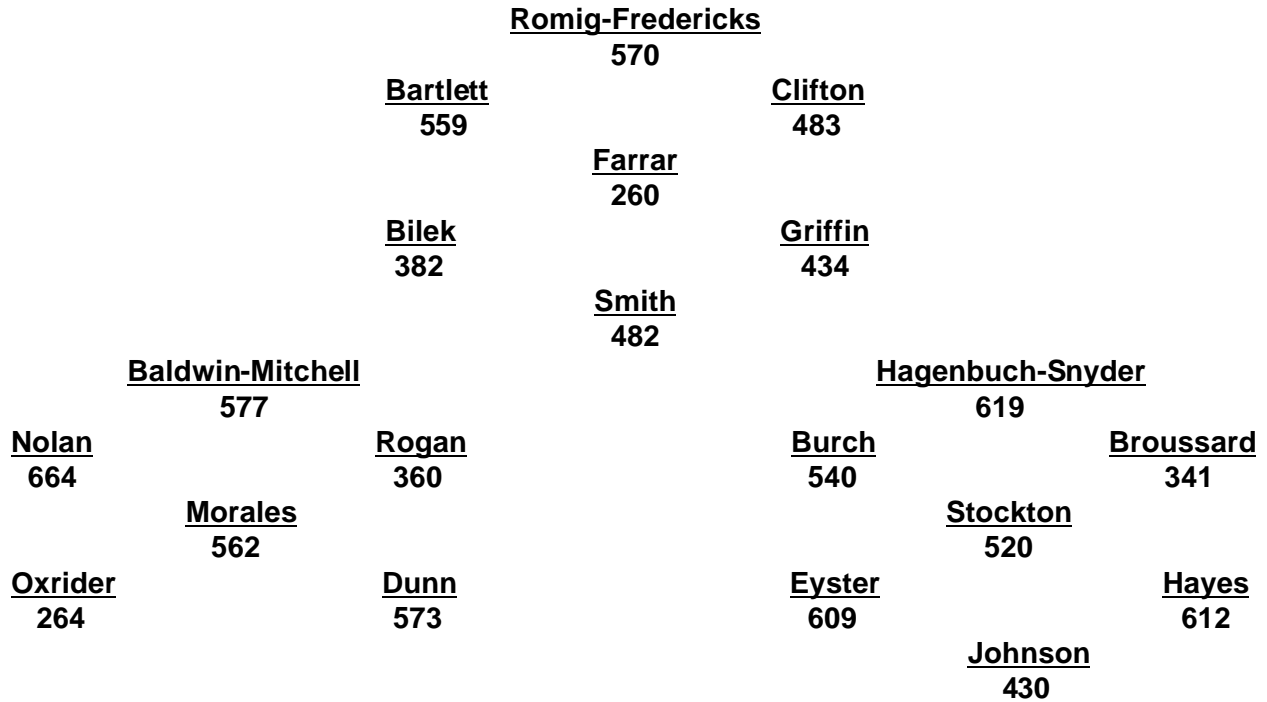

Memorial to the Crews of *Ooold Soljer* and *Two Beauts* in Mears Ashby, England. Dedicated: 31 March 1996

Seventeen remaining aircraft went on to bomb Rotterdam with 51 tons of 1,000-lb. bombs from 24,000 feet. Because of poor visibility over the target area, observation of bombing results was difficult. Some bombs were seen to hit the target through breaks in the clouds. Photos taken later were of little help. The 8th Air Force dispatched 102 aircraft on the mission and only 33 bombed the target, 17 of which were in the 303rd BG(H). S/Sgt. Robert C. **Blake**, the tail gunner of *Sky Wolf*, remarked, "Sitting in the tail gives me a chance to observe the bombing results. I saw quite a few hits on the target. I would say it was pretty fair."

Flak over the target, as well as over three other points, was reported as slight and inaccurate. Due to strong winds and almost zero visibility, the course taken was at times off that prescribed. About 25 enemy aircraft were reported. Most were seen on the last diversion leg and no encounters were experienced. There were no contact casualties. All 17 aircraft returned safely between the hours of 1417 and 1442.

A submarine was sighted about twenty miles off the English coast on the return trip. It submerged when the Group aircraft flew over. 1Lt. Eddie J. **Broussard**, pilot of *Vicious Virgin*, observed an airplane dinghy floating in the channel in sight of the English coast. With no fear of enemy fighters in the vicinity, he peeled off and circled down to investigate. He was a rescue ship and several Spitfires heading in the general direction of the dinghy. 1Lt. William G. **LeFevre**, co-pilot of *Vicious Virgin*, fired several flares to guide the rescuers to the proper spot.

Aircraft Formation at Assembly Point
