

303rd BG(H) Combat Mission No. 28

4 April 1943

Target: Billancourt Dist. Renault Motor Works, Paris, France

Crews Dispatched: 23

Crews Lost: Lt. Ercil F. Eyster - 7 KIA, 3 POW

Length of Mission: 5 hours, 15 minutes

Bomb Load: 6 x 1000 lb H.E. M44 bombs

Bombing Altitude: 23,500 ft

Ammo Fired: 33,195 rounds

Enemy Aircraft Claims: 6 Destroyed, 2 Probables, 4 Damaged

Capt. W.R. **Calhoun**, Jr., CO 359BS, flew in the Low Squadron lead B-17, #41-24635, 359BS-O, *The '8' Ball MK II*. Deputy Group Commander, Lt. Col. George L. **Robinson**, led the 303rd BG(H)'s 23 aircraft on a maximum effort mission. The secondary target was the Citroen Motor Works, Paris, and the last resort was the Scotteville Marshalling yards at Rouen. All aircraft were loaded with six 1,000-lb. bombs. The four 8th Air Force Groups dispatched 97 bombers. The plant, previously destroyed by the RAF, had been rebuilt and was producing over 1,500 trucks, tanks and armored cars per month.

LtCol George L. Robinson

Three aircraft aborted the mission:

#42-5432, *The Hunting Club*, 358BS (Lt. **Jess**)

#41-24612, *The Devil Himself*, 427BS (Lt. **Hayes**), dropped out due to supercharger and engine problems.

#41-24605, *Knockout Dropper*, 359BS (Lt. **Roller**). The pilot, Lt. Roller, became ill with gas pains and cramps at altitude.

The remaining 20 B-17s bombed the primary target. There were no clouds and visibility was unlimited. Flak, at the 23,500 bombing altitude, was moderate, black, and inaccurate from the target area and the vicinity of Rouen.

Crews observed 40 to 50 enemy fighters with 14 encounters. *Holy Mackerel*, 359BS, was shot down by enemy fighters and crashed near Rouen, France. 1Lt. Ercil F. **Eyster**, 2Lt. Fred H. **Hayward**, 2Lt. John D. **Shanks**, T/Sgt. Harold J. **Dunham**, Sgt. Eugene A. **Nicosia** and S/Sgt. Floyd E. **Bauer** were killed. S/Sgt. Marcus K. **Davis**, Sgt. Edmund R. **Thornton**, Sgt. George T. **Morton** and S/Sgt. Robert C. **Altizer** were captured and became prisoners of war. Lt. **Eyster**, Lt. **Shanks** and T/Sgt. **Dunham** are buried in Normandy American Cemetery near Coleville-sur-Mer, France.

Battle damage to other aircraft was slight. A great deal of credit reportedly was due to excellent Spitfire fighter support. The remaining 19 B-17s returned to Molesworth between 1606 and 1632.

Original 359th BS 1Lt Ercil F. Eyster Crew
(Eyster, back left; 2Lt W.D. Cargill (B), back 4th from left)

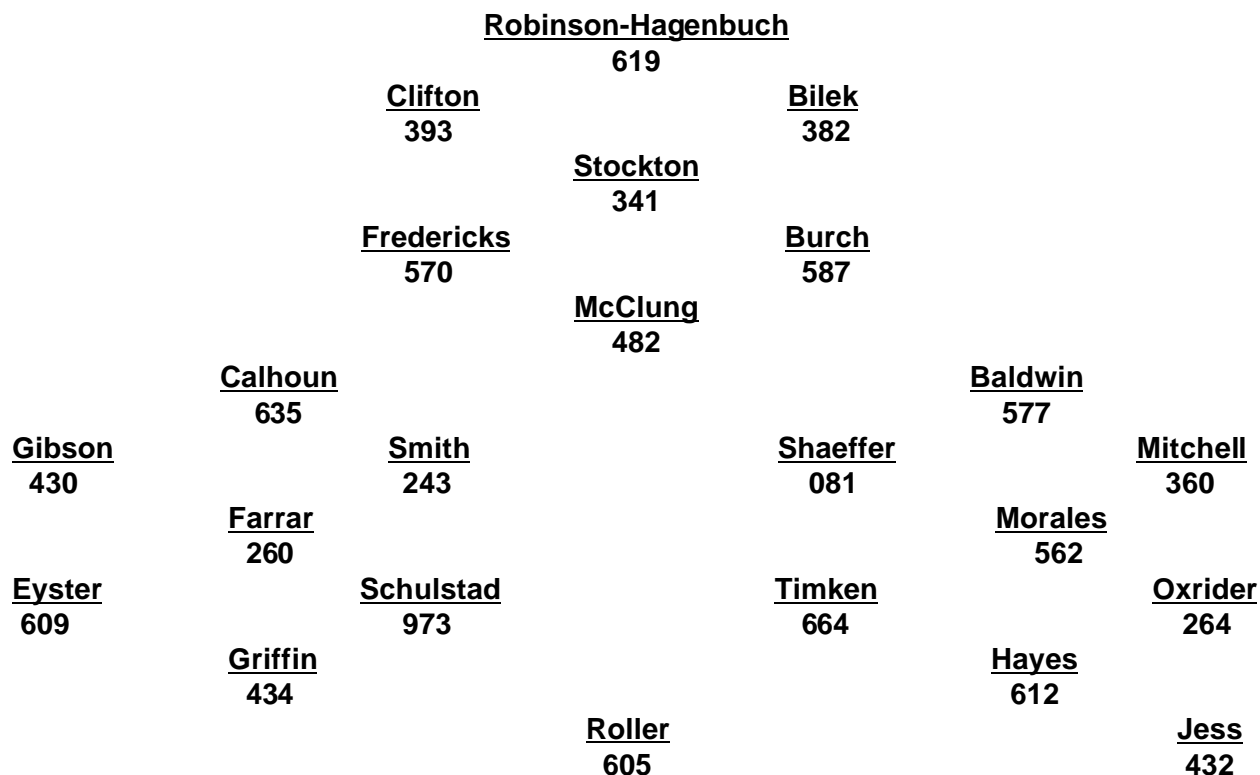

303rd BG(H) crews made some exciting mission comments. Bombardier, 2Lt. Lloyd A. **Shirley**, remarked, "I saw what looked like a large shell coming up at us from above. Suddenly it exploded and a tremendous red burst appeared directly in front of us. I never did see the plane that dropped it, but there wasn't any doubt about it being a bomb from a German fighter." 2Lt. Earl A. **Steele** said, "We passed over an airdrome just outside of Paris after we left the target. I counted 38 fighters starting to take off. In about 10 minutes they were on top of us like a swarm of bees." Maj. Frank

Doherty, Group Adjutant, was making his first combat mission and said, "It was a swell trip and the boys certainly hit the target in good style. That ought to discourage the Germans from rebuilding the place, because our boys will go over and lay it low again about the time they get it rebuilt." Fortress pilot 1Lt. Earl A. **Shaeffer** was quick to state, "The bombing was the best ever. My crew claimed that our bombs landed right on the aiming point. That's what we went for, so the trip was a success." 2Lt. Arthur M. **Stone**, his co-pilot, said, "We had fighters, some flak, but we were in a good spot to avoid any attacks. We also had a good view of Paris. It looks like a beautiful city, but I'm not anxious to make a visit there while the Germans are in control."

The crew of *Snap! Crackle! Pop!*, all veterans, offered their comments. The ball turret gunner, S/Sgt. Howard **Nardine**, said, "It was a fair trip. I got an FW-190 away. It certainly wasn't as rough as expected." S/Sgt. Henry **Schneiderman**, left waist gunner, said, "I didn't get many close shots because most of the fighters I saw were smoking by the time they got where I could see them." T/Sgt. Michael **Hlastala**, upper turret gunner, noted, "I didn't get much shooting either, but they sure made me sweat." S/Sgt. Harvie **Collins**, right waist gunner, said, "It was pretty hot today. 20mm shells bursting around us looked like a cotton field." S/Sgt. Tom **McGiffin**, top turret gunner, said, "It was hot in spots, but just another good raid." T/Sgt. Richard **Smith**, radio operator/gunner, got off a good one by saying, "I saw the target after we left and I think that they should change the name of that song to 'The Last Time I Saw Paris There Were Fires Burning There.'"

The 305th BG(H), which led the mission, hit the target with most of its bombs, lost three aircraft, bore the brunt of the fighter attack, and shot down 25 enemy aircraft with an additional six probables and five damaged. One crew shot down ten FW-190s. For their action the 305th received the first **Distinguished Unit Citation** awarded to an 8th Air Force Bomb Group.

Aircraft Formation Over the Target

Three (3) aircraft aborted this mission:

Lt. Jess in 432

Lt. Hayes in 612

Lt. Roller in 605
