

Index of 303rdBG(H) Aircraft

(338 303rd BG(H) B-17s that flew Combat Missions)

The mission numbers following each aircraft represent the missions on which it was dispatched – not the number of credited combat missions. To determine credited missions, you must subtract non-credited missions from the total. Missions that were aborted or recalled, which were generally not credited, are indicated on the mission reports.
